

Photo and video release statement

I give my permission for all still and moving images taken or recorded by or on behalf of Muscular Dystrophy Association of New South Wales (MDNSW) of me ("the Images") to be:

1. used in any of the promotional and advertising material of MDNSW;
2. and/or provided to any third party, including but not limited to media organisations, government bodies, not-for-profit organisations and MDNSW partners, for their use as they see fit.

The Images may be used in various media formats including online media, social media, print, newspaper, video, public displays television and electronic means of communication and in any edited form.

I grant this permission under the condition that MDNSW staff will always seek my confirmed consent before using these materials where practically possible. I understand that at events with crowds and in group photograph settings that this may not always be achieved.

If I wish to withdraw permission for Images to be used, I can do so at any time by informing MDNSW in writing. I understand that if I so withdraw permission for the Images to be used, MDNSW will cease any future new publication or use of the Images, but for several years the Images may appear in printed and electronic material which has already been produced or disseminated. If this is the case, MDNSW will advise the person.

(For Aboriginal and Torres Strait Islander people) I also understand that images of Aboriginal and Torres Strait Islanders may appear in printed and electronic material for several years. If I am an Aboriginal or Torres Strait Islander, MDNSW will take reasonable steps to prevent the Images from appearing on material published after my death. However, I understand and agree that, despite those efforts, the Images may still be published or disseminated.

I understand that MDNSW will make all reasonable efforts to ensure that any use of the Images by MDNSW or third parties complies with the MDNSW Privacy Policy. This states that MDNSW will:

1. respect and protect those whose images are recorded in MDNSW photography;
2. manage and use images owned by MDNSW appropriately.

I understand that I have no actionable right against MDNSW for any failure by either MDNSW or by any third party to comply with the terms of this release Statement.
